Speakers List Released AIAG Auto Parts Purchasing Leadership and Suppliers Summit Marriott Hotel Hongqiao | Shanghai, China

The AIAG Auto Parts Purchasing Leadership and Suppliers Summit will be held on November 29, 2017 in Shanghai, China, simultaneous to the 2017 Automechanika Shanghai—the world's second largest Automechanika trade fair for automotive parts, accessories, equipment, and services.

With the release of the industry's quality standard IATF 16949:2016, and the revision of the Failure Mode and Effects Analysis (FMEA) manual in process, the industry is defining the new building blocks for the future of automotive quality.

We invite purchasing executives from GM, Ford, Fiat-Chrysler, VOLKSWAGEN, Volvo, Jaguar Land Rover, Delphi, Bosch, Lear, and BorgWarner, as well as those from other OEMs and Tier 1 companies, to share their sourcing strategies, needs, requirements, and supply chain development with auto suppliers in Asia/China.

Session Topics Include:

- **The Latest Information on the Upcoming FMEA -5**
- Continuing Quality Improvement Standards and Requirements
- Auto Parts Sourcing Strategy/Industry Development
- Sourcing Requirements from OEMs and Tier 1
- Quality System Improvement
- Sub-Tier Suppliers Management
- Corporate Responsibility and others
